What are a few points that stood out to you the most from the message this weekend?

The word church literally means, “called out ones?” What are we called out for? What does this mean for you as a member of the body of Christ?

The church is built on Christ and the basic tenets of the Foursquare denomination are Christ the Savior, Christ the Healer, Christ the Baptizer in the Holy Spirit, and Christ the Soon Coming King. How have these been a central focus for you in church life, in your personal life?

How do you desire to be a part of the body of Christ who unites instead of divides?
